THE STATEN ISLAND COMMUNITY COLLEGE

THE CITY UNIVERSITY OF NEW YORK

Welcome from your Student Government!

The beginning of your college career brings a feeling of anticipation and excitement. Do not lose this feeling: it is essential in making your stay here at S.I.C.C. productive and worthwhile.

You will find that S.I.C.C. offers you, both academically and through its excellent program of extracurricular activities, the opportunity to develop and enrich your life with new experiences.

Your Student Government wishes you the best of luck and hopes that the hints, suggestions, explanations and reminders that you find in this handbook will help you make the most of your S.I.C.C. career.

Some Things You Should Know About S.I.C.C.

A UNIT OF CITY UNIVERSITY OF NEW YORK

The college is a unit of The City University of New York, under the program of the State University of New York. As a student of Staten Island Community College, you are a part of a university with century-old traditions although it is young in name. City University of New York consists of the nine municipal senior colleges (C.C.N.Y., Hunter, Brooklyn, Queens, College of Police Science, Richmond, York, Lehman and Baruch) and six community colleges (Staten Island, Bronx, Queensborough, Kingsborough, New York City and Borough of Manhattan). Designated as an independent university system by act of the legislature in April 1961, the city's institutions of higher education were established to provide opportunities to earn associate, baccalaureate, master's and doctor's degrees for city students who are capable and eligible for admission. At S.I.C.C. you are able to earn an Associate in Arts, an Associate in Applied Science or Associate in Science degree.

As a unit of The City University of New York, Staten Island Community College is accredited by the Middle States Association of Colleges and Secondary Schools.

A UNIT OF STATE UNIVERSITY OF NEW YORK

The Staten Island Community College is one of the locally sponsored community colleges established under the New York State community college law. As such it is administered by its local sponsor under the program of the State University of New York. Under this program the State provides for one-third of the operating budget and one-half of the capital budget of the college, the balance being provided by the City of New York and by nominal student fees.

BRIEF RESUME OF S.I.C.C. PROGRAM

Your curriculum at S.I.C.C. will cover a two-year program preparatory either for further college study at a senior college or for sub-professional technical jobs in industry or commerce. It is possible for you to take the first two years of a baccalaureate program at S.I.C.C. and then transfer to one of the New York City senior municipal colleges to complete the final two years. Check the college catalog carefully for further details about gaining transfer admission to other colleges or universities. Also check the weekly "Calendar" published by the Office of the Dean of Students and the various bulletin boards for up-to-date information as it becomes available throughout the current academic year.

College Facilities Available to You

LIBRARY

Library privileges are extended to all staff and students, but these privileges entail certain responsibilities. It must be understood that the use of the library is subject to certain rules that will insure fairness to all users. The preservation of a quiet atmosphere is most important for effective study, and we ask all of you to cooperate in this regard. Certain classes of material—periodicals, reference books, and books on reserve — are intended for library use only; overnight privileges are granted only at the discretion of the librarian. All other books circulate for two weeks and can be renewed if not wanted by another student or staff member. Fines for overdue books are 5¢ a day for two week books and 25¢ an hour for reserve books.

The library is open from 8:30 A.M. to 9 P.M. Monday through Friday and weekends. A professional librarian is always available to answer your questions, help you find material and advise you on all topics concerning books, reading and the use of the library.

GAME ROOM

The game rooms are equipped with pool tables, ping-pong tables and table games. You can obtain equipment from the Activities Office. Tournaments are also arranged by this Office.

Bulletin Boards

You are responsible for being aware of the varied events, activities and announcements associated with college life. Such information as room assignments for final examinations, meetings of clubs and other associations, dances, departmental notations and various communiques from the administration appear on the many bulletin boards located throughout the school. You should become familiar with the location of these boards and consult them regularly. Bulletin Boards are usually located outside the department offices.

No posters or notices are to be mounted on bulletin boards without permission of the department head or administrator concerned. First, however, they must be approved by the Activities Office.

COLLEGE BOOKSTORE

The Staten Island Community College bookstore is a non-profit enterprise organized to serve the faculty and student body of S.I.C.C. In addition to carrying such items as the required textbooks and supplies, the bookstore stocks such items as study aids, school rings, jackets, sweaters, gym suits, drafting supplies, slide rules and stationery.

The regular hours of the bookstore are posted on the bulletin board of the bookstore.

Your instructors will usually indicate what textbooks and materials are required at the first class meeting.

STUDENT LOUNGE and CAFE-DISCOTHEQUE

Your Lounges are maintained to help develop your social and cultural contacts. You are expected to follow the posted rules and regulations established by students and you share a responsibility to help maintain the Lounges in an orderly and clean condition.

The Cafe-Discotheque provides you with a place for organized activities, away from the formality often necessary in other parts of the college. This is your area: you should conduct yourself in such a way that you show respect for yourself and the college. The rules and regulations in keeping with the above philosophy are posted in the Cafe-Discotheque.

DINING ROOM

In order to maintain moderate food prices, the dining room is operated as a self-service, self-bussing enterprise. It is open Monday through Friday except holidays.

Serving hours:

Breakfast — 8:00 A.M. - 10:00 A.M.

Lunch — 11:00 A.M. - 2:00 P.M.

Dinner — 5:00 P.M. - 7:00 P.M.

Seating area open: 8:00 A.M. - 8:00 P.M.

SNACK BAR

The snack bar is open continuously between the hours of 10:00 A.M. and 8:00 P.M.

A Caution About Parking

Because parking spaces are limited, parking permits are distributed according to priorities established by the Administration.

The Business Office registers all automobiles and issues parking decals. The following information must be presented at time of registration:

1. Proof of family ownership
2. Driver's license
3. Proof of insurance for out-of-state automobiles.

You may register one family automobile, and permits are valid from the first day of classes to the last day of examinations each semester.

NOTE: Student parking areas will be filled on a first-come, first-served basis. Parking fees for full-time or part-time day or evening students are as follows:

- \$6.00 per semester for full-time students.
- \$4.00 per semester for part-time students.
- \$3.00 per summer session.

NOTE: Parking fees are not pro-rated or refundable. Check with the Business Office for further information.

Services You May Want to Use...

GUIDANCE AND COUNSELING

The Student Personnel program is designed to enable each of you to progress through your program of study to the best of your ability. The staff of the Department of Student Personnel is available at all times to give careful and serious consideration to students who seek assistance in connection with problems concerning educational adjustment, personal needs, college transfer, post college and vocational planning. A special effort is made to identify those students who may be in need of specialized services at any time during their enrollment in the college. An appointment for an interview with the Dean of Students or a member of the counseling staff can be made at any time with the secretary.

You will be assigned to a faculty adviser who will aid you in the selection of courses of study and advise you on problems related to your overall academic performance as well as employment opportunities in your field of study. You should remember that the best counseling is done when you voluntarily bring your concern either to your instructor, your faculty adviser or to a member of the staff in the Department of Student Personnel. Faculty advisee lists are posted on the bulletin boards approximately during the third week of the semester. Make it a point to introduce yourself to your adviser as soon as you can after the list becomes available.

CONSULTATION ON ACADEMIC REGULATIONS

In the event that you have to withdraw from college or wish to reduce your program, you should initiate consideration of these actions in the Department of Student Personnel. Also, in the event that you wish to change your curriculum or seek a reconsideration of your probationary status or have to be absent from final examination(s), you should fill out petition forms available in the Department of Student Personnel. These forms are then transmitted to the Committee on Course and Standing for review and recommendations. You will be notified by the Registrar by mail of the action taken by the Committee in regard to your petition. (See pages 15-21 for further information.)

PLACEMENT AND JOB ADVISEMENT

The Department of Student Personnel maintains a listing of part-time jobs available in the Staten Island area and elsewhere. These placement opportunities are also posted on the appropriate department bulletin board. General information about job-seeking techniques, non-fee charging employment agencies in the metropolitan area and summer full-time employment opportunities is also available by consultation with the placement counselor.

LOST AND FOUND

The Lost and Found is located in Room A-108.

Articles may be brought there or recovered from there during the regular hours from 9:00 A.M. to 5:00 P.M.

DISCOUNT TICKETS

Discount tickets to various cultural events around the city are available for students and faculty at the front desk in the Activities Office.

Special Information About:

FINANCIAL ASSISTANCE

The college participates in both the federal (National Defense Student Loan Fund) and state (New York Higher Education Assistance Corporation) loan programs that are available to full-time students. Specific information about these programs and necessary application forms can be obtained in the Financial Aid Office. The Business Office disburses checks received for students eligible for scholarships under the Regents Scholarship Program. Watch the bulletin board for periodic information about this program. A very limited amount of money is available through the Staten Island Community College Association, Inc. and the Alumni Association for scholarship assistance. In addition, there are several special scholarships and awards offered by Staten Island civic, service and fraternal organizations. For further details, check the college catalog. Applications are available in the Financial Aid Office. Completed forms should be submitted by May 15 for the fall semester and by January 15 for the spring semester.

VETERANS

Men with prior military service are encouraged to consult the Veterans Administration regarding eligibility for one or more of the V.A. programs and also the veterans counselor in the Department of Student Personnel. For information regarding the financial aspects, contact the Business Office. All applications for admission are made through the Registrar's Office.

SELECTIVE SERVICE

Staten Island Community College students who are subject to the draft may be helped in dealing with their respective draft boards by the Registrar's Office.

INCLEMENT WEATHER

During inclement weather and/or other emergency situations, you should call 999-1234 to determine if classes are in session.

STUDENT IDENTIFICATION CARDS

You must carry an identification (I.D.) card with you at all times. This card is necessary for verifying your identity as a student at Staten Island Community College. It is also needed if you wish to use various college facilities.

In case you lose your identification card, you should apply immediately for a new one in the Department of Student Personnel, Room A-141.

MEDICAL OFFICE HOURS

8:00 A.M. – 10:00 P.M. Daily

At other hours contact the Department of Student Personnel or the Dean of Evening Session.

MEDICAL REQUIREMENTS

You are required to mail a Health Record Form completed by your physician to the Registrar's Office with your application of admission. These records are on file in the Medical Office. You should know the name of your family physician so that he may be consulted if necessary. The Medical Office screens all physical examination reports and, at its discretion, may re-examine any student.

ACCIDENT PROCEDURES

In case of accident or other emergency, you should contact the Medical Office or the Department of Student Personnel immediately.

Obtain Accident Insurance Form, if needed, from the Medical Office. See Insurance Coverage below.

INSURANCE COVERAGE

The General Fee includes **accident insurance** coverage provided by the Staten Island Community College Association, Inc. For full-time students of the college the plan gives protection at home, at school or while traveling, 24 hours a day for the entire school year (first day of classes through commencement day) while you are enrolled. Part-time students have on-premises coverage during the school year.

Benefits

When you require medical services because of an accident, the insuring company will pay the actual cost incurred within 26 weeks from the date of accident, up to \$500,00 for each accident, regardless of what other coverages you may have. The plan will pay for any or all of the following:

1. Medical and surgical treatment by a physician.
2. Hospital confinement and nurses's services.
3. Miscellaneous hospital expenses — drugs, medicines, etc.
4. Dental treatment made necessary by injury to natural teeth.
5. Ambulance expense.

Claim Procedure

In the event of accident you should:

1. If at school, report immediately to your instructor so that proper treatment can be prescribed or approved.
2. If away from school, consult a doctor and follow his instructions. Notify the school as soon as possible.

Claim forms and instructions on claim procedure are available at the college's Business Office.

Benefits may be claimed under this plan in addition to any benefits to which you may be entitled under private health or accident insurance plans.

Your Academic Program

Your participation and attendance at S.I.C.C. is expected to lead to the AA, AS or AAS degree. In addition to meeting the general course requirements, you must be cleared by the Business Office and library with regard to financial obligations, and must be recommended by the college faculty for the degree.

The total number of credits required for a degree in your curriculum is specified in the college catalog.

YOUR GRADES

Grades and their interpretation can be found in the college catalog. If you have a question about a grade you should discuss it with your instructor immediately.

TRANSCRIPTS

All applications for "Official" and "Unofficial" transcripts should be made in the Registrar's Office.

An "Official" transcript of your grades bears the College seal and the signature of the Registrar, and is mailed directly to the college considering your application for admission.

An "Unofficial" transcript is issued to a student requesting a record of his grades and is marked "Student's Copy."

If you plan to transfer to another unit of The City University of New York, transcripts will be sent free of charge. If you plan to transfer to a college outside The City University of New York, transcripts will cost one dollar each.

PROCEDURES FOR APPEALING GRADES

All instructors are available for consultation with students for 48 hours after posting of final grades. If you wish to appeal a grade you should go to the department office within this specified period and submit a request in writing.

PROCEDURES FOR OBTAINING PERMISSION FOR MAKE-UP FINAL EXAMINATION

If you are absent from the final examination of any course you will receive a grade of "M." A make-up final examination may be taken after the following procedures have been completed:

- 1) Obtain the correct form from the Office of the Registrar immediately.
- 2) Fill in information requested.
- 3) Obtain the instructor's signature and make an appointment to take a make-up examination.
- 4) Attach to the form medical documentation, if available, to substantiate request.
- 5) Return the completed form to the Registrar's office promptly.

- 6) Pay a \$5.00 fee in the Business Office. (This receipt must be shown to the instructor before a student may take the test.)

You must take the make-up final examination within the first six weeks of the following semester. (This six week period includes registration days.)

WITHDRAWAL FROM CLASS

You may withdraw without penalty from any course in which you are enrolled up to the end of the seventh week of the semester provided that there remains on your program not less than 12½ credits, if you wish to remain a full-time student. On

the basis of the estimates of your work which are submitted to the Registrar by the end of the seventh week, your faculty adviser or instructor may counsel you to drop a course without academic penalty up to the end of the ninth week, if you still are carrying 12½ credits. You should consider this recommendation very seriously. The change of program fee is five dollars.

After the ninth week of the semester, you will not be permitted to drop a course without penalty. If there are sufficiently extenuating documented medical circumstances to warrant this action, you may appeal through the Department of Student Personnel to the Committee on Course and Standing for withdrawal without penalty.

PROCEDURES FOR WITHDRAWAL FROM CLASS

1. Pick up forms from Registrar's Office.
2. Fill in requested information on all forms.
3. First, have instructor initial in appropriate place.
4. Second, have Faculty Adviser sign in appropriate place.
5. Third, have a counselor in the Department of Student Personnel sign in the appropriate place.
6. Fourth, bring cards to the Business Office and pay fee.

WITHDRAWAL FROM COLLEGE

If you wish to take a leave of absence or withdraw from the college, you must initiate this action in the Registrar's Office. The process must be completed for the college to take action upon the request. The time for withdrawal without academic penalty is limited by the college and is stated in the college catalog.

PROCEDURES FOR WITHDRAWAL FROM COLLEGE

1. Pick up forms from Registrar's Office.
2. Fill in requested information on all forms.
3. First, have Faculty Adviser sign in appropriate place.
4. Second, have Librarian sign in appropriate place.
5. Third, have a counselor in the Department of Student Personnel sign in the appropriate place.
6. Fourth, bring cards to the Business Office and pay fee.

THE MEANING OF QUALITY POINTS

In addition to earning a letter grade for each course, which is reported on your official report card and transcript, each letter grade carries an assigned number

of quality points for each credit. Your scholastic standing is measured in terms of these quality points, which are assigned, per credit, as follows:

A earns plus	4 quality points per credit
B earns plus	3 quality points per credit
C earns plus	2 quality points per credit
D earns plus	1 quality point per credit
F earns	0 quality points per credit

Since a scholastic average of "C" is required for a graduation, you must have a quality point average of 2.0 or better.

As an example, the following represents a hypothetical record achieved by a S.I.C.C. student:

<i>Subject</i>	<i>Grade</i>	<i>Credits</i>	<i>Quality Points</i>	<i>Result</i>
English	A	3	4	+12
History	C	3	2	+ 6
Mathematics	F	3	0	0
Chemistry	D	4	1	+ 4
French	B	3	3	+ 9
		16		+31

$$\frac{\text{No. of Quality Points}}{\text{No. of Credits}} = \text{Quality Point Index}$$

$$\frac{31}{16} = 1.9$$

Therefore, the student represented above has a quality point average of 1.9, which is less than a "C" average that is required for a student to be in good academic standing. Consequently, he will have his records reviewed by the Committee on Course and Standing and be put on the necessary probation, which will limit his course load for the following semester.

If you are deficient in your academic studies, you should consult the following Academic Deficiency Make-up Chart to see what quality points you must make up before graduation.

ACADEMIC DEFICIENCY MAKE UP CHART

1. If Your Present Index Is

and

2. Your Present Number Credits Attempted Is

	8	16	24	32	40	48	56	64
1.88	1	2	3	4	5	6	7	8
1.75	2	4	6	8	10	12	14	
1.63	3	6	9	12	15	18	21	
1.50	4	8	12	16	20	24

1.13	7	14	21	30				
1.00	8	16	24					

Then 3. You Must Make Up Before Graduation The Number of Quality Points Shown

4. This Table Shows The Value Of Credits And Grades Toward Achieving a "C" Average. Note That Any Grade Less Than "C" Will Further Add To Your Problem.

Grade	CREDITS IN COURSE				
	5	4	3	2	1
A	+10	+8	+6	+4	+2
B	+ 5	+4	+3	+2	+1
C	0	0	0	0	0
D	- 5	-4	-3	-2	-1
F	-10	-8	-6	-4	-2

MAINTAINING SCHOLASTIC STANDING

The college requires that an overall average of "C" must be maintained **each semester** for a student to remain in good academic standing. Students who fail to maintain this average will automatically have their records reviewed by the Committee on Course and Standing at the end of each semester. The Committee may rule as follows:

- 1) You may receive a warning letter.
- 2) You may be placed on probation in the same curriculum.
- 3) You may be placed on probation with a change in curriculum.
- 4) You may lose matriculated status.
- 5) You may be given an academic dismissal from the college with permission denied to re-enroll in the college under any circumstances.

If you are on probation you are limited to 12½ credits or 4 major courses plus physical education as long as the total number of credits is not greater than 14½ credits.

If you are below a 2.0 average you are not permitted to participate in the college athletic programs or to hold major offices in student organizations.

If you have less than a "C" average (2.0) you should contact your curriculum adviser immediately to keep from jeopardizing your future academic career.

COMMITTEE ON COURSE AND STANDING

The Committee on Course and Standing reviews and takes action on the records of students who fail to maintain a "C" average. One of the premises under which the committee operates is that a lengthy period of adjustment is sometimes required by entering students with poor study habits or whose initial choice of curriculum was unwise. Therefore, the committee assigns a PROBATION as a preventive action, designed to reduce the credit load carried by the student in a given semester so that he may move toward a quality of work which will bring his average to at least a "C" by graduation. Students placed on probation may be dropped from the college for poor scholarship if they fail to meet two successive probations.

In cases where a student is accumulating less than a "C" average, which indicates that he probably cannot successfully complete the required program in his current curriculum, an R.M. action is taken. This stand for "Remove Matriculation" and carries with it the instruction that the student may not re-register in the same curriculum. Such an action permits attendance in the Evening Session as a non-matriculant, or under certain conditions, transfer to another curriculum within the college.

In those cases where the grade record is so poor for the total number of credits completed satisfactorily as to prevent recovery to a "C" average in the balance of coursework required for graduation, the Course and Standing action is an A.D., or Academic Dismissal. This action prohibits the student's registration in any course, in any session of the college.

The following are typical types of appeals to the Committee on Course and Standing:

- 1) Change of grade from H to J.
- 2) Exemption from degree requirements.
- 3) Permission to take more than 19½ credits for a student in good academic standing.
- 4) Permission to repeat courses in which a passing grade has been received.
- 5) Restoration of matriculation after the Committee on Course and Standing has removed it. (Readmission to Day Session)
- 6) Permission to take courses in another curriculum while remaining in the original one.

APPEALS FOR CHANGE OF CURRICULUM

Every curriculum change regardless of scholastic index should be examined carefully by you with the aid of a counselor since you may be penalized academically and financially before you receive your degree.

A curriculum change is seldom permitted during the first semester a student is at Staten Island Community College and the permission for any such change is based primarily on course and credit entrance requirements for the specific curriculum and high quality of academic performance at the college.

PROCEDURES FOR CHANGING CURRICULUM

1. All students with a 2.0 average request a change of curriculum in writing to the Registrar. Students are urged to discuss a possible change in curriculum with their curriculum advisers and with a counselor in the Department of Student Personnel.

2. All students with less than a 2.0 average must see the Appeals Counselor in the Student Personnel Department for information about the process of requesting a curriculum change.

DEAN'S LIST

If you are a full-time student and have earned a "B" (3.0) average or higher for the previous 12 months with no failures for a minimum of 30 credits your name will be placed on the Dean's list. This list is published shortly after the close of each academic semester.

ABSENCE & LATENESS

You are not permitted any quota of unexcused absences and failure to comply with this regulation may result in debarment from classes.

In the Spring, 1968, an experiment was conducted which allowed upper sophomores in good academic standing (2.0) to have unlimited cuts. Freshmen were allowed cuts up to fifteen percent of the total class hours. This experiment

did not include classes in laboratory science, foreign languages, and physical education and was officially concluded as of June, 1968.

You should apprise yourself of the current Class Attendance Regulations. Check with the Registrar's Office for this information.

Unless you immediately file a statement with evidence explaining an absence you will be charged with an unexcused absence. You should proceed as follows:

- 1) Procure from the Registrar's Office an absence statement form.
- 2) Fill in the statement and attach to the form necessary evidence.
- 3) Have the form initialed by all instructors.
- 4) File the form and evidence with the Registrar.

Unless you are in your seat at the time the bell rings, you may be considered absent and the instructor at his discretion may exclude you from the class.

Taking Part in Extra Curricular Activities at S.I.C.C.

S.I.C.C. has a varied and busy extra-curricular program covering a wide scope of interests and areas. In order to accommodate clubs and activities with meeting space and time, no regular classes are scheduled for Thursdays between noon and 2 P.M. This block of time is reserved for student club meetings and activities. You are invited to participate actively in any, or as many, groups as you can. The only eligibility requirement is that you must be a current student at S.I.C.C. Only students with a 2.0 average may hold office.

Club activity is sponsored by the Student Association of the college, a student governing body in which you are also a vital part and which is described more fully in the following pages.

Participation in social activities with other colleges must be cleared through the Department of Student Personnel.

You must obtain parental permission to participate in off campus school sponsored functions. Parental permission slips are obtained in the Department of Student Personnel.

S.I.C.C. ASSOCIATION, INC.

The Staten Island Community College Association is a non-profit membership organization, incorporated Nov. 5, 1956, in the State of New York primarily "to promote and cultivate educational and social relations among the students and the faculty of the Staten Island Community College . . . and to aid the students and faculty of the Staten Island Community College by assisting them in every way possible in their study, work, living and extra-curricular and curricular activities."

The Association supervises the financial operation of student activities such as the Student Association, the clubs and athletic teams.

All units of the Association are required to prepare their own annual budgets in advance of the following academic year, and upon ultimate approval of the budgets by the Board of Directors, to live within them. The Business Manager of the college serves as treasurer of the Association as well as central treasurer for all clubs and organizations.

Behind the Scenes...

on Faculty-Student Committees

(FCSAS) Faculty Committee on Student Activities and Services

(SAAB) Student Activities Advisory Board

SAAB is a faculty-student committee whose primary objective is to coordinate all student activities and extra-curricular functions held under the auspices of S.I.C.C., with the exception of athletic activities and student publications. SAAB consists of ten members: five students elected by the Student Senate and five faculty members appointed by the FCSAS. SAAB periodically reviews the activities of student organizations and makes recommendations to the FCSAS.

EVENING SESSION STUDENT ACTIVITIES ADVISORY BOARD

E.S.S.A.A.B. — Evening Session Student Activities Advisory Board

This Board concerns itself with the issues and policies pertaining to Student Activities. The Board is composed of an equal number of faculty and students.

(AAB) Athletic Advisory Board

The AAB, a nine member committee, includes representatives from the administration, faculty, student body and alumni. The committee supervises the over-all functioning of intercollegiate athletics and the intramural program; it annually reviews the athletic program of the college and makes recommendations to the FCSAS.

(PAB) Publications Advisory Board

The PAB includes representatives from the faculty and student body. This board provides an opportunity for students and faculty to resolve problems confronting various student publications and serves as an advisory board on policy matters to the FCSAS.

Staten Island Community College Alumni Association

The Alumni Association, composed of former Day and Evening Session students at Staten Island Community College, is a non-profit organization, one of whose primary functions is to raise funds for the benefit of the college, its students, and its alumni. Of the \$38 General Fee paid by each day student each semester, \$2.00 goes to the Alumni Association to further these purposes. Membership is \$8.00.

Some of the other functions of the Alumni Association are the presentation of awards at Awards Convocation, the collection and publicizing of news of interest to the alumni and the sponsoring of annual athletic and social events, such as annual faculty-alumni basketball and softball games, picnics, etc.

Campus Conduct

One of the goals of education is to encourage learning that will not stop at the classroom door, but will affect your thinking and behavior in all aspects of life. An important lesson you should learn throughout your education is that you must adhere to certain standards of conduct in order for society to function effectively. Moreover, you realize that there exists legitimate means of changing rules with which you do not agree. The desired end is reached when you use your understanding of your responsibility to society as a basis for your conduct. It therefore follows that in order for Staten Island Community College to function as an effective academic community, certain standards of conduct must be followed. Included among these are the following:

1. You are expected to live up to a high standard of academic integrity. All your work, whether it be on tests or papers, must reflect your own efforts at all times, unless otherwise noted. There can be no compromise with the fact that cheating on examinations and plagiarizing (an attempt to pass off as one's own, the work of another) are gross violations of a proper code of academic behavior.

2. One of the basic tenets of our society is the right of the individual to possess private property. You should recognize this right and show proper respect to the property of your associates. You should also show proper respect to the property of the institution and help prevent any acts of theft or vandalism.

3. You must understand that in the course of your daily life within the college, you will come into contact with many duly authorized officials who may be called upon to issue instructions to you. You should cooperate with these officials to the best of your ability and show them the same respect and consideration that you would like to receive. At all times you should refrain from the following inappropriate types of behavior:

- a) Refusal to stop engaging in actions which disrupt the orderly conduct of a class.
- b) Abusive behavior toward college employees who are discharging their duties.
- c) Failure to comply with the procedures and decisions of the Student Court, including not appearing when summoned.

4. The name of the college can, in one sense, be considered to be its private property. You should realize, therefore, that unauthorized use of the college's name violates the institution's rights. Moreover, you should understand that the illegitimate use of this name can result in serious misrepresentations. Only with proper authorization should anyone ever undertake to use the name of Staten Island Community College.

5. You should make every effort to assist in keeping all parts of the campus clean and litter free. There can be no doubt that you are more likely to take pride in your school when its appearance is appealing to the eye.

6. Certain rules and regulations are made for the protection and physical welfare of all students. The rules of the college governing safety, smoking, fire drills and air-raid drills, which are posted around the school, fall into this category.

7. In certain matters you are asked to make your own value judgments rather than adhere to narrowly defined regulations. An example of this principle is the area of dress. Without being too specific, it can be generally assumed that dress should remain within the limits of good taste.

8. Since the college is located in a residential area, it is only reasonable you respect the rights of the people in the community. One way to accomplish this is to observe the college regulation which prohibits the playing of various games in the surrounding streets.

Rules & Regulations to Remember

STUDENT DECORUM

- 1) You should conduct yourself in the classes, lounges, labs, halls and adjacent areas in a manner that reflects credit on yourself, your home and your school.
- 2) You should adhere to generally accepted polite manners. Profanity and boisterous talk or action should be avoided.
- 3) You should avoid playing any kind of games in the streets adjacent to the college.
- 4) You should make every effort to assist in the manner of keeping the classrooms, halls, lavatories and lounges clean.
- 5) You should follow all rules of safety, smoking regulations, fire drill regulations and air-raid drill regulations posted and indicated in the rooms and halls.
- 6) Your dress should be clean, neat, modest and in good taste to suit the occasion.

Smoking...

Smoking in the buildings is strictly prohibited except in the designated areas:

Student Lounges
Faculty and Staff Offices
Corridors

Please use the receptacles provided for the disposal of ashes and cigarettes.

Fire Safety

Smoking is prohibited in all sections of the college except in the student lounges, faculty and staff offices, and corridors. Fire equipment, located at convenient places, should never be tampered with. Fire drills are called from time to time. You should consult the fire drill regulations and directions posted in classrooms and halls.

Following are some general points to keep in mind for fire drills:

When the alarm is sounded, you should leave the classroom, two abreast, in an orderly manner.

The faculty members will lead their classes to a reasonable distance from the building. When the proper signal is given, the faculty members will lead the students back to their respective floors.

Fire doors in all halls should be closed when not in use.
