E. Melville.

STUDENT COUNCIL SUBMITS BUDGET

At a meeting held November 1, 1956 a budget was formulated by the Student Council and submitted to the Faculty Corporation. The council also drew up plans for a Student Court to judge violations of the schools by-laws.

The activity budget was submitted as follows:

Sports	\$ 250.
History Club	50.
Language Club	25.
Math-Science Club	25.
Dramatics Club	100.
Miscellaneous	50.

The council confirmed the school colors - white, black and gold - and the school mascot - a Dolphin.

DRAMATIC CLUB

A Dramatic Club has been formed at the school under the direction of Mr. Victor Garibaldi. Mr. Garibaldi, a veteran actor with experience on television and off-broadway, will instruct the members of the group in the basic techniques of acting.

At the organizational meeting on October 18, 1956 the following officers were elected:

Chairman-	Mrs. Helen Armitage
Vice Chairman-	Robert Amodea
Secretary-	Charlotte Montalbano
Treasurer-	Thomas McKee

The possibility of making group trips to view Broadway and off-Broadway productions was discussed. Among the plays proposed for consideration were, "The Iceman Cometh," "Arms and the Man,"

and the current hit, "Middle of the Night." It was suggested that the first theatre party be held on Thanksgiving weekend.

Also, under consideration is the possibility of having a number of entertaining and informative meetings, which will be open to the entire student body. It is hoped that for these meetings, the Dramatic Club will be able to secure guests to speak on acting and the theatre.

At the meeting Thursday, November 15, 1956, at 12:00 noon, in room 38, Dr. Doris Alexander will speak on Eugene O'Neill.

MATH SCIENCE CLUB

"Transfinite Numbers", the various kinds of infinity, will be the subject of Mr. Maurice Richter's speech at the first meeting on November 15, 1956, of the Math Science Club, which he advises. The club plans to investigate the philosophy of mathematics and important theories of physics in future meetings, hoping to penetrate more deeply into the basic thought of mathematics and physics than the tight schedule of class-work allows. The seventeen club members will elect their officers on Thursday November 15, 1956.

LANGUAGE CLUB

The Language Club, under the temporary chairmanship of Charlotte Montalano, plans to see French, German, and Spanish films, and then have dinner at a restaurant serving the food of that country, to cook a French or Spanish dinner, and then listen to French or Spanish music; to invite speakers from the various foreign embassies in New York, and to exchange letters with students in France and Spain.

Dr. Hilde Jaeckel, advisor of the group, holds degrees from the University of Geneva and the University of Breslau.

HISTORY CLUB

The History Club opened November 1, 1956 with "Why Vote for My Party," debated by Thomas Sullivan, assistant district attorney, Democrat, and John J. Marchi, candidate for the state senate, Republican. The club plans on debating everything in American History for "Did We Have to Fight the Civil War" to "Why Belong to the United Nations," on showing historical films, and on inviting eminent historians as speakers.

"PI EPSILON SIGMA"

Pi Epsilon Sigma, the pre-engineering society, has started with a dance, and plans further social gatherings as well as a series of talks by prominent engineers to help the members decide whether to major in mechanical, electrical, or aeronautical engineering.

Joseph Wall is President of the society, John Barry vice president, Robert Michalak secretary, August Kempf treasurer, and Dr. Reuben Benumof faculty advisor.

ARTS AND SCIENCES FRATERNITY UNDERWAY

Formation of an Arts and Science Fraternity is in progress. At the first meeting, November 1, 1956 Mr. Sanford Radner accepted the position of faculty advisor and Bob Amodea and Douglas Sloan were elected temporary chairman and secretary respectively.

Those men registered in Arts and Sciences section A-B-C, who are interested in this Fraternity should see the chairman or secretary of the fraternity.

BASKETBALL TEAM UNDER WAY

Sports-wise, SICC has gotten its start in Basketball. The team has several fine players, outstanding is 6-7 Jim Fitzgerald, last year a center on the Staten Island High School All-Stars. Other members are Art Oberle, Al Sinclair, Don Stevenson, John Blumquist, and Hugh Peterson. The team is to be coached by Mr. Tom O'Connor. The first game will be at home, against Orange County Community College on December 8, 1956.

The team needs support and only you can give it through the BOOSTERS!
